# RUSSIAN RIVER WINE TASTING

November 10-13, 2016

\$620 (includes 3 nights lodging, 2 full day tours of 3 premium wineries each day including the cost of private tastings and tour bus, picnic lunch each day on the grounds of a winery, wine with lunch, croquet at one of the wineries, live music at another winery).

Transportation to San Francisco from Dallas and transfer from San Francisco to Healdsburg is on your own. We'll let you know if we hear of air specials to San Francisco. You can reserve hotel rooms at Healdsburg for additional nights at the same rate we get.

The Russian River Valley is California's most diverse and beautiful wine region and part of Sonoma County which many say has emerged as the premier wine region of the world. Sonoma County has more vineyards than Napa to the East. With this vast number of micro climates and soils to work with, from the hot valley around Cloverdale to the cool vineyards of the Sonoma Coast, the area's winemakers will always be the avant-garde of wine-creation and storytelling.

We're staying at the beautiful Best Western Dry Creek Inn, minutes from downtown Healdsburg, with many tasting rooms right in the heart of town!

Wineries we'll be touring include Martin Ray, Sonoma Cutrer, HKG, VML, DeLoach and Lambert Bridge.

We only have 24 spots available for this trip and cannot expand due to limited space on the tour bus. Don't delay in getting signed up and paying your \$100 deposit. This trip sold out early the last time it was offered! And boy, did we have a blast!!

For questions, contact Trip Director: Debbie Greenslade at [debbiegreenslade@gmail.com](mailto:debbiegreenslade@gmail.com).

Biking along the German/Austrian Danube is a very special pleasure because the hotel is always with you!

Gently downhill, mostly with a helpful tailwind, you are experiencing the impressive river as it meanders in the Donauschlinge ("Great Loop") and enjoying the gorgeous landscape of the legendary Wachau with its castles and fortresses. Then Vienna, rich with architecture, a firework of places of interests! A city hard to describe – you have to see and feel it! Sights like St. Stephen's Cathedral, the Town Hall and the world's oldest Ferris Wheel (Riesenrad) are easy to reach during a wonderful sightseeing tour by bike.

At the Naschmarkt (famous food market), a stroll will become a cultural and culinary adventure. You can also relax at any of the cozy coffee bars or at a typical Viennese wine tavern.

On the guided tour, you cycle in a small group guided by a local tour guide who is familiar with the region. Taste some Austrian delicacies: at an Upper Austrian tavern, you'll try sweet and bitter must; at a wine tavern in the world famous Wachau region, you savor a small variety of regional wine specialties. You experience the Upper Austrian capital Linz on an excursion train.

During a guided tour by bike you'll pass by numerous sights of Vienna – the city of the Waltz.

The nearest airport will be Munich to arrive/depart Passau.

#### **Why Do I Want To Go On This Trip?**

Because Vail is truly an international "world class" ski resort that draws people from around the globe. It is one of the largest ski resorts in North America with 5300 acres of diverse terrain, 31 lifts service 195 runs for all skill level of skier. Annual snow fall of 350" stays fresh because of the 8,000' base elevation, with 3,500 feet of vertical to the summit at 11,500'.

By January 7 the holiday crowds will be gone, so you can ski long and hard. Vail has a fleet of snow cats that offer a tremendous amount of groomed skiing. The front side of Vail is enormous with each lift servicing beginner to advanced runs, so it is easy to ski with a group of diverse level skiers. The back bowls are for intermediate and above skiers and are world famous; just pick a line and get after it. Coming off the back bowls is Blue Sky Basin that has trails, but has been left more natural with many trees in place offering an different ski experience.

Don't forget about an easy bus ride over to Beaver Creek; another Vail managed resort included in your lift ticket, where it is considered "gauche" to walk up stairs, so escalators are provided along with hot chocolate in the morning and cookies in the afternoon.

In short, you will have the opportunity to ski as much as your legs can handle. If you do not want to work that hard on vacation, Vail/Beaver Creek has a tremendous selection of spas, restaurants, bars and shopping.

We will be staying at the Vail International Condos located directly on the in village bus route that runs east/west from Golden Peak, the Village and Lionshead. Vail International is only one bus stop from Lionshead to the west and the Village (the iconic Covered Bridge) to the east. In street shoes it is about a 7 minute walk to the Lionshead lifts, so it is a very handy location.

# Snowbird/Alta 2017

Sunday, January 29 - Friday, February 3

Registration on or Before September 27 ... \$864\*

Registration September 28 or Later ... \$960

Includes Five Nights Lodging, Four Days Lifts, Ground Transportation and Lone Star Activities

Air not included but: **Do Not Book Your Air Until October** When We Will Confirm The Above Group Pricing

Contact: Joe Mueller ... [joe\\_mueller@sbcglobal.net](mailto:joe_mueller@sbcglobal.net); 214-842-2748

\*To Qualify for the early sign up discount, you must pay the \$100 deposit, and meet all payment deadlines and minimums. If you fail to meet any payment schedule, you will be charged the full amount.

Question: Why Should I Go On This Trip? Answer: Because It Is a Real Ski Trip ... A good ski trip begins with good snow.

Annual snowfall of 300 to 350 inches per year is considered very good ... Snowbird/Alta (SB/A) averages 530 inches per year. This coupled with an average base elevation of 8,100 feet will keep the snow "fresh", so it is very probable that in late January to early February the snow conditions will be excellent.

Plan to ski hard for 4 days on a good selection of beginner, intermediate and advanced slopes. Alta can be accessed by skiing up and over the top of Snowbird, or a via short shuttle ride.

Your SB four day lift is included in the package; an Alta day pass can be purchased at SB for an estimated \$35/day. Alta remains a "skiers only" resort, so snowboarders not allowed.

Lodging: Five nights (Sunday evening arrival; depart Friday morning) at the **Ski In /Ski Out** Cliff Lodge, which is a self contained hotel with 2 queen beds per room, and small refrigerator. It has several restaurants, heated pool, spa, hot tubs, ski lockers and ski rental (we get 20% discount on rentals). It is a 5 minute walk, or very short shuttle ride, from the Cliff House to the SB village for additional restaurants/bars. For more information, check this link:

[Cliff Lodge](#)

There is some, but limited shopping at SB/A, so this will primarily be a ski trip.

Note: The above pricing is based on a group rate, and we must book at least 8 rooms (16 pillows) to lock in the price; the non-group rate is an additional \$200/person.

On October 1, we will decide to cancel the trip, or to proceed; this is why we are setting the early registration discount date to September 27. **Do not book your air** to Salt Lake until we make a decision. If we do not meet the minimum number and we decide to cancel the trip, you will receive a full refund.
